

Attention IBC locker renters,

We hope this email finds you well! As we approach a new renewal period, there is some important information we must share with you so you are aware of your options. If you are not aware yet, the Board of Trustees approved a renovation project for the IBC Student Recreation Center that will get underway this Summer! The IBC turned 21 this past January, so we are very excited to embark on this project to greatly improve our flagship fitness center on Main Campus! All information and regular updates on the project can be found [HERE](#).

With that being said, the IBC will close on Friday, 5/3/19 and will not re-open until the Fall '19 semester. Therefore, you will not be able to renew in the IBC, but if you wish to maintain a locker on Main Campus for the summer you do have an option in our recently renovated locker rooms in Pearson/McGonigle Halls. The summer rental rates are the same as the IBC, which is \$10 for a full size and \$5 for a half size. All payments and locker registration take place in the Main Office of Campus Recreation, located in Pearson/McGonigle Halls Suite 303. We have plenty of available inventory so feel free to take advantage of this option. If you choose not to move your belongings to a locker in Pearson/McGonigle Halls, then we do ask that you clean out your IBC locker no later than Friday, 5/3.

More information and communication will be sent to all of you regarding your ability to return to a similar sized locker in the IBC once the renovation has been completed.

Thank you,

Campus Recreation Management
